13. Statement of Objectives:

(a) indicating why you wish you to join

- (b) do you meet the requirements of the advertised post and
- (c) a brief write-up about the research projects you plan to undertake and courses you would like to teach
- 13. Attach a detailed CV providing list of publications (with reprints of the best papers), teaching/research/industrial experience along with this application.

I hereby declare that I have carefully read and understood the instructions and particulars supplied to me, and that all entries in this form as well as the attached sheets are true to the best of my knowledge and belief.

Date:	
Place:	Signature of the Applicant
	The completed form should be sent along with all the requested attachments to
	The Registrar
	E-mail: <u>f</u>

#### Spot Qn:

- A description of yourself in two sentences or less. Emphasize the most important word(s) by putting them in bold.
- A list of Subjects you are studying in this Semester
- Your 3 favorite books in order. Make at least one link to an interesting site about that tv book.
- Two images, one that represents you when you're happy and the other to represent you when you're sad.

Something interesting about two of your friends

Your hyperlinks should not have an underline by default. When a user hovers over the link, the underline should appear.

Hint: The property you are looking for is a type of CSS pseudo-class.

• Every paragraph should start with a drop-caps that is 1.5 times the size of the normal paragraph font size.

Hint: The property you are looking for is a type of CSS pseudo-element.
