DATA VISUALIZATION using Seaborn/matplotlib

Perform the following on any TWO popular datasets of your choice.

1. Histogram, line plot, Bar plot, kde plot, Box Plot, Violin plot, Distribution Plot, strip plot, pair plots, scatter plots, heatmap, density plot

TYPICAL ML PROJECT WORK FLOW:

1. work with sample ML project flow in WEKA using the reference manual
2. Understand how to use SciKit Learn libraries for ML projects.
