Information/Walkthrough Section

Set up your wallet

Connect your wallet to Funky Animals by registering an account with your associated crypto currency. Find out which wallets we support.

Create your collection

Set up your collection. Set a secondary sales fee and add social links, a description, profile and banner images, and a description.

Add your NFTs

Add a title and description to your work (picture, video, audio, or 3D art), then customise your NFTs with properties, stats, and unlockable content.

List them for sale

Auctions, fixed-price listings, and declining-price listings are all options. You decide how you'd like to sell your NFTs, and we'll assist you!
